

# MAR'CE MERRELL

Mar'ce Merrell has a passion for words. As a novelist for children, young adults and adults, a professional writer and a journalist, she has devoted her working life to word-centric creative careers. Similar to her drive to share stories, Mar'ce has applied her creative talents in classrooms from Kindergarten to Grade 12.

With 8 years of teaching experience as a writer-in-residence through the Artists in Residency program and through the international organization Learning Through the Arts, Mar'ce's enthusiasm for working with students is evident.
